CITY COUNCIL MEETING OF: February 21, 2007

MICHAEL MIROLLA appeared with JOSEPH MANZELLA, both representing Sandhurst Development, LLC. MR. MIROLLA stated that the land was purchased in July 2004 for approximately three million dollars; the land is now valued at 24 million dollars. It is not their intention to flip the property, as they have invested 13 million dollars into the project. MR. MIROLLA gave the Council a brief history of the progress and emphasized that building permits should be obtained within six weeks. Although the land was lost on October 12th, Taurus Sandhurst Development has provided a written document allowing them the opportunity to purchase the land back for substantially under market price. They intend to continue working on the project to bring it into fruition. MAYOR GOODMAN was pleased and impressed with the report. COUNCILMAN WEEKLY requested that this type of report be provided to Council on a regular basis as the project continues to move forward; MR. MIROLLA willingly concurred with the Councilman's request.
